

MEMORANDUM

TO: District of Columbia Zoning Commission

FROM: Jennifer Steingasser, Deputy Director

DATE: October 29, 2012

SUBJECT: **Supplemental Report** for ZC #11-17, Adams Morgan Church Hotel
Consolidated Planned Unit Development and Related Map Amendment

At the October 22 public hearing, the Commission asked the Office of Planning (OP) and the Department of Transportation (DDOT) to provide responses to several items – paragraphs 3C and 3D, including sub-paragraphs – raised by the Kalorama Citizens Association in their written testimony. OP reviewed the information and consulted with DDOT staff. Because the testimony refers to traffic and transportation issues, OP defers to DDOT’s analysis of the points raised. DDOT will provide a response under separate cover.
